Hi Bryant,

I'm not sure if you've received the complete disk yet; I'll have to check with our Houston office who handles that. I think that you probably have at this point.

I can email her a copy of what's on TeamLink, which wouldn't take but a minute or two, if you'd like.

Hey Keith - either way. I think we are out of \$ on the TDD, so you can send them to me or just let me know who it is. Have I got the complete disk yet?

Hi Bryant,

LDEQ called me this morning and asked for a copy of the Lard Oil Report. Is it OK for me to send it to them, or would you prefer that they request it through EPA?

Thanks, -keith
